

March 31, 2025

Dear Colleague:

NCQA presents the *HEDIS^{®1} Measurement Year (MY) 2025 Long-Term Services and Supports (LTSS): Technical Update*, which contains corrections, policy changes and clarifications to the *HEDIS MY 2025 LTSS Technical Specifications*. With this release, NCQA freezes the HEDIS LTSS technical specifications for MY 2025.

The final version of the Value Set Directory (VSD) for MY 2025 reporting is available in the [NCQA Store](#).

Obtaining the updated VSD. Changes to codes and value sets have been incorporated in the MY 2025 LTSS VSD, available for download by customers with access to the HEDIS MY 2025 LTSS publication. Go to the [My Downloads](#) section of [My NCQA](#) and download the *MY 2025 LTSS* zipped folder, which contains the updated *MY 2025 LTSS Value Set Directory (.xlsx)* file.

Obtaining the Random Number (RAND) Table. Starting with MY 2025 reporting, the RAND table will be released on October 15, and will be available in the [NCQA Store](#) for purchasers of the HEDIS LTSS publication.

The [HEDIS Audit Timeline for MY 2025](#) is available on the NCQA website.

Changes listed in this document are required for HEDIS MY 2025 LTSS reporting. Review all items in the table below and incorporate them into your implementation processes. If information in this memo contradicts a previous response you received in [My NCQA](#), then the response is obsolete.

If you have questions about information included in the *LTSS Technical Update* or about other measure specifications, contact us through [My NCQA](#). We wish everyone a successful HEDIS data collection season!

Sincerely,

Jenna Barry, MPH
Assistant Director, Policy Measures

HEDIS® is a registered trademark of the National Committee for Quality Assurance (NCQA). The HEDIS measures and specifications were developed under contracts with Mathematica Policy Research and The Lewin Group for the Centers for Medicare & Medicaid Services (CMS) contracts: HHSM-500-2013-13011I, Task Order #HHSM-500-T0004 and HHSM-500-2014-00033I, Task Order #75FCMC19F0004. CMS owns the underlying measures and has granted NCQA permission to include the measures in HEDIS.

NCQA may rescind or alter these materials at any time. Users of the HEDIS measures and specifications shall not have the right to alter, enhance or otherwise modify the HEDIS measures and specifications, and shall not disassemble, recompile or reverse engineer the HEDIS measures and specifications. Anyone desiring to use or reproduce the materials without modification for a non-commercial purpose may do so without obtaining any approval from NCQA. All commercial uses (including but not limited to vendors using or embedding the measures and specifications into any product or service to calculate measure results for customers for any purpose) must be approved by NCQA and are subject to a license at the discretion of NCQA.

HEDIS measures and specifications are not clinical guidelines, do not establish a standard of medical care and have not been tested for all potential applications. The measures and specifications are provided “as is” without warranty of any kind. NCQA makes no representations, warranties or endorsements about the quality of any product, test or protocol identified as numerator compliant or otherwise identified as meeting the requirements of a HEDIS measure or specification. NCQA also makes no representations, warranties or endorsements about the quality of any organization or clinician who uses or reports performance measures. NCQA has no liability to anyone who relies on HEDIS measures and specifications or data reflective of performance under such measures and specifications.

Limited proprietary coding is contained in the measure specifications for convenience. Users of the proprietary code sets should obtain all necessary licenses from the owners of these code sets. NCQA disclaims all liability for use or accuracy of any coding contained in the specifications.

The American Medical Association (AMA) holds a copyright to the CPT® codes contained in the measure specifications. Applicable FARS/DFARS Restrictions Apply to Government Use. Fee schedules, relative value units, conversion factors and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein.

The American Hospital Association (AHA) holds a copyright to the Uniform Billing Codes (UB-04) contained in the measure specifications. The UB-04 Codes in the measure specifications are included with the permission of the AHA. All uses of the UB-04 Codes may require a license from the AHA. Specifically, anyone desiring to use the UB-04 Codes in a commercial product(s) to generate HEDIS results, or for any other commercial use, must obtain a commercial use license directly from the AHA. To inquire about licensing, contact ub04@aha.org.

No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopy, recording or any information storage and retrieval system, without the written permission of NCQA.
