

Notices and Disclaimers for Licensee’s Products – Align. Measure. Perform. Program

The registered trademark symbol should be applied to the first reference of each term below. At the bottom of the page where the registered trademark first appears there should be a footnote which includes the acknowledgement statement below, as applicable:

HEDIS®

The Healthcare Effectiveness Data and Information Set (HEDIS®) is a registered trademark of NCQA.

NOTICE AND DISCLAIMERS

The below notices and disclaimers must be displayed once on a “Copyright Notices & Disclaimers” or similar external page or webpage where measure rates from the Licensed Measure Specifications are displayed.

NCQA solely-owned AMP HEDIS Measures

Certain performance measures, specifications, and guidance for evaluating performance under the Align. Measure. Perform. Program (AMP HEDIS Measures) were developed and are owned by the National Committee for Quality Assurance (NCQA). The Healthcare Effectiveness Data and Information Set (HEDIS®) is a registered trademark of NCQA. These materials are not clinical guidelines and do not establish a standard of medical care. NCQA makes no representations, warranties or endorsement about the quality of any organization or physician that uses or reports these materials and NCQA has no liability to anyone who relies on the materials.

NCQA holds a copyright in these materials and can rescind or alter these materials at any time. These materials may not be modified by anyone other than NCQA. Anyone desiring to use or reproduce the materials without modification for a non-commercial purpose may do so without obtaining any approval from NCQA. All commercial uses must be approved by NCQA and are subject to a license at the discretion of NCQA. Any use of the materials to identify records or calculate measure results, for example, requires a custom license and may necessitate certification pursuant to NCQA’s Measure Certification Program.

©MY[year] National Committee for Quality Assurance, all rights reserved. Limited proprietary coding is contained in the Measure specifications for convenience. Users of the proprietary code sets should obtain all necessary licenses from the owners of these code sets. NCQA disclaims all liability for use or accuracy of any coding contained in the specifications.

CPT Copyright [current year] American Medical Association. All rights reserved. CPT® is a registered trademark of the American Medical Association. Applicable FARS/DFARS Restrictions

Apply to Government Use. Fee schedules, relative value units, conversion factors and/or related components are not assigned by the AMA, are not part of CPT, and the AMA is not recommending their use. The AMA does not directly or indirectly practice medicine or dispense medical services. The AMA assumes no liability for data contained or not contained herein.

The CDC Race and Ethnicity code system was developed by the U.S. Centers for Disease Control and Prevention (CDC). NCQA's use of the code system does not imply endorsement by the CDC of NCQA, or its products or services. The code system is otherwise available on the CDC website for no charge.

Certain codes are derived from the HL7 Terminology THO. THO is copyright ©1989+ Health Level Seven International (HL7®) and is made available under the CC0 designation. For more licensing information see: <https://terminology.hl7.org/en/license.html>. "HL7" is a registered trademark of Health Level Seven International.

The American Hospital Association (AHA) holds a copyright to the Uniform Billing Codes ("UB-04") contained in the measure specifications. The UB-04 Codes in the AMP HEDIS specifications are included with the permission of the AHA. All uses of the UB-04 Codes may require a license from the AHA. Specifically, anyone desiring to use the UB-04 Codes for any commercial use must obtain a commercial use license directly from the AHA. To inquire about licensing, contact ub04@aha.org.

Some measure specifications contain coding from the Logical Observation Identifiers Names and Codes (LOINC®) Committee (<https://loinc.org/>). The LOINC table, LOINC codes, LOINC panels and form file, LOINC linguistic variants file, LOINC/RSNA Radiology Playbook, and LOINC/IEEE Medical Device Code Mapping Table are copyright © 1995–[current year], Regenstrief Institute, Inc. and the Logical Observation Identifiers Names and Codes Committee and are available at no cost under the license at <https://loinc.org/kb/license/>.

Some measure specifications include SNOMED Clinical Terms® (SNOMED CT®), which are used by permission of the International Health Terminology Standards Development Organisation (IHTSDO). All rights reserved. SNOMED CT® was originally created by The College of American Pathologists. "SNOMED" and "SNOMED CT" are registered trademarks of the International Health Terminology Standards Development Organisation (IHTSDO).

NCQA and IHA co-owned AMP Measures

Certain performance measures, specifications, and guidance for evaluating performance under the Align. Measure. Perform. Program (AMP Measures) were developed and are co-owned by the National Committee for Quality Assurance (NCQA) and Integrated Healthcare Association (IHA). These materials are not clinical guidelines and do not establish a standard of medical care. NCQA and IHA make no representations, warranties or endorsement about the quality of any organization or physician that uses or reports these materials and NCQA and IHA have no liability to anyone who relies on the materials.

NCQA and IHA hold a copyright in these materials and can rescind or alter these materials at any time. These materials may not be modified by anyone other than NCQA or IHA. Anyone desiring to use or reproduce the materials without modification for a non-commercial purpose may do so without obtaining any approval from NCQA and IHA. All commercial uses must be approved by NCQA and IHA and are subject to a license at the discretion of NCQA and IHA. Any use of the materials to identify records or calculate measure results, for example, requires a custom license and may necessitate certification pursuant to NCQA's Measure Certification Program. ©MY[year] National Committee for Quality Assurance and Integrated Healthcare Association, all rights reserved.

Limited proprietary coding is contained in the Measure specifications for convenience. Users of the proprietary code sets should obtain all necessary licenses from the owners of these code sets. NCQA and IHA disclaim all liability for use or accuracy of any coding contained in the specifications.

Measure Certification Notice

Uncertified Measures: *The logic used to produce AMP HEDIS or AMP Measure results has not been certified by NCQA. Such specifications are for reference only and are not an indication of measure validity.*

*A calculated measure result (a “rate”) from an AMP HEDIS or AMP Measure that has not been certified via NCQA’s Measure Certification Program, and is based on AMP HEDIS or AMP specifications, may not be called an “**AMP HEDIS rate**” or “**AMP rate**” until it is audited and designated reportable by an NCQA-Certified HEDIS Compliance Auditor. Until such time, such measure rates shall be designated or referred to as “**Uncertified, Unaudited Health Plan AMP HEDIS Rates**” or “**Uncertified, Unaudited Health Plan AMP Rates**” and may only be used for population health purposes within an affiliated health plan network and internal, quality improvement purposes (e.g., trend analysis).*
